THE MAN WE WANT

Probably has a college education, although this is not essential.

He very likely has had some investment experience. He is be-

tween 25 and 45 years old. He is wanted to represent one of the

country's largest financial institutions in and about Norway and

South Paris. He will have enough initiative and self assurance

to be willing to work on a commission basis. To this man we offer

a permanent career, the income from which is limited only by his

own efforts.
